
KEC International gets Rs 840-cr order

Infrastructure firm KEC International has bagged orders worth Rs 840 crore in the transmission and distribution and cables businesses from both domestic and international markets. In the T&D business, it has bagged orders worth Rs 723 crore from Malaysia, Egypt and the US, while its cable business received a Rs 117-crore order. This will help in the company's pursuit to diversify and de-risk its geographic spread. Now, execution will be under focus.
