### **KEC Intl eyes Rs 800-cr orders in Q3**

Mumbai: RPG group company KEC International, a leading player in the power transmission engineering, procurement and construction business, is eyeing orders worth more than Rs 800 crore in the next quarter and expects a major chunk (60 per cent) of it to come from overseas market. KEC International Managing Director & CEO Ramesh Chandak said the overseas orders would mainly emanate from its traditionally strong markets of Africa and West Asia.
