

# Sun Pharma to divest 7 brands to RPG Life for Rs 410 mln

Sun Pharmaceutical Industries Ltd has signed an agreement to divest its seven prescription brands in India to RPG Life Sciences Ltd for 410 mln rupees, the former said in an exchange filing. The company has divested brands of drugs used in the treatment of respiratory-track infections, urological disorders and cardiovascular diseases as well as brands of health supplements. The divestment is subject to approval from the Competition Commission of India, Sun Pharma said.
